

IUPUI Campus Art Action Plan
Submitted by Valerie Eickmeier
Herron School of Art and Design

Summary

The Campus Arts Action Plan team proposes that IUPUI engage in the arts by

- Allocating funds to initiate, support and promote art and cultural activities on the campus.
- Creating sculpture gardens that include permanent works of public art as well as temporary installations of sculpture.
- Supporting rotating art exhibitions in the public spaces on campus.
- Developing arts programming for students, faculty, staff and community members.
- Implementing marketing strategies that highlight IUPUI's commitment to excellence in the arts.
- Creating a full-time staff position at IUPUI to develop, manage, coordinate and maintain a comprehensive plan for the art and cultural activities.

Action Items

- Develop a Public Art Program
- Create a rotating art collection for campus.
- Initiate a comprehensive arts program that includes many art forms and makes information widely available to students.
- Allocate funding to support campus arts initiatives.
- Increase Marketing and Promotion of IUPUI cultural activities.
- Provide Fellowships for graduate students in the Herron MFA Sculpture Program to create public works of art for IUPUI.
- Develop curriculum for general education to be used across disciplines to enhance understanding of art and culture.
- Coordinate efforts of the Student Center's Cultural Art Gallery and the Herron Galleries.
- Create a full-time staff position for Campus Arts and Culture.
- Action: Initiate a Campus Arts Fee for IUPUI students.
