

# Town Hall Meeting on the Campus Center

Monday, November 6, 2006  
2:00 pm - 4:00 pm  
University Library, Room 1126

## Come discover the plans for the Campus Center!

See photos, drawings, and hear an overview of the design of the center. This is your chance to provide feedback about how the space should be furnished, decorated, and arranged! Further, you can assist the Campus Center staff in exploring the ways in which a non-academic building can forward the academic mission of IUPUI.
