 - Diversity Officer for USG President’s Diversity Cabinet
 - USG is looking at developing a diversity officer as a member of the USG President's Cabinet. We are looking for students to work with the committee that will be developing the job description and then advertise for candidates. The committee may also screen those candidates prior to their presentation of a recommendation to the USG President. That has not been determined at this point. We are targeting a start date of January 7, 2008 for the person filling this position, so it is important that this be handled quickly, but I want to ensure that we build an excellent job description, and select the best candidate for the position.

Trevor Fulk
USG President, IUPUI
