New Course Request

Indiana University

IUPUI Campus

Check Appropriate Boxes: Undergraduate credit [ ] Graduate credit [X] Professional credit [ ]

1. School/Division: Nursing 2. Academic Subject Code: Nurs
3. Course Number: D737 (must be cleared with University Enrollment Services) 4. Instructor: TBD
5. Course Title: Inquiry II: Evidence-based Research & Translational Science

Recommended Abbreviation (Optional)

(Limited to 32 Characters including spaces)

6. First time this course is to be offered (Semester/Year): Spring 2011

7. Credit Hours: Fixed at _______ or Variable from _______ to _______

8. Is this course to be graded S-F (only)? Yes [X] No [ ]

9. Is variable title approval being requested? Yes [X] No [ ]

10. Course description (not to exceed 50 words) for Bulletin publication:  Synthesis of knowledge regarding implementation models and strategies used for translation evidence into practice is the focus of this course. Students explore organizational aspects of change influencing innovation, quality improvement, and program evaluation. Developing and preparing to implement and evaluate translational science projects is a component of this course.

11. Lecture Contact Hours: Fixed at Distance Accessible? [ ] or Variable from _______ to _______

12. Non-Lecture Contact Hours: Fixed at _______ or Variable from _______ to _______

13. Estimated enrollment: _______ of which _______ percent are expected to be graduate students.

15. Justification for new course: Builds on & extends knowledge from Inquiry I, D736

16. Are the necessary reading materials currently available in the appropriate library? Yes [X] No [ ]

17. Please append a complete outline of the proposed course, and indicate instructor (if known), textbooks, and other materials. Attached [X]

18. If this course overlaps with existing courses, please explain with which courses it overlaps and whether this overlap is necessary, desirable, or unimportant. None [X]

19. A copy of every new course proposal must be submitted to departments, schools, or divisions in which there may be overlap of the new course with existing courses or areas of strong concern, with instructions that they send comments directly to the originating Curriculum Committee. Please append a list of departments, schools, or divisions thus consulted.

Submitted by: [Signature] Date: 2/01/09

Department Chairman/Division Director

Dean of Graduate School (when required) Date: 2/01/09

Approved by: [Signature] Date: 2/01/09

Dean

Chancellor/Vice-President

University Enrollment Services Date: 2/01/09

After School/Division approval, forward the last copy (without attachments) to University Enrollment Services for initial processing, and the remaining four copies and attachments to the Campus Chancellor or Vice-President.

University Enrollment Services Final—White; Chancellor/Vice-President—Blue; School/Division—Yellow; Department/Division—Pink; University Enrollment Services Advance—White

Course information

- 3 credit hour course [distance accessible]
- Placement in curriculum: Post masters and admission to DNP
- Co-requisite: D749 DNP Practicum 1-3 credits

Faculty  J. Burrage and ME Riner

Course Description:

Synthesis of knowledge regarding implementation models and strategies used for translating evidence into practice is the focus of this course. Students explore organizational aspects of change influencing innovation, quality improvement, and program evaluation. Developing and preparing to implement and evaluate a translational science project is a component of the course.

Course Competencies:
1. Students will critique and apply theoretical, conceptual, and operational perspectives relative to translational science as a basis for developing a project proposal.

2. Write an integrated review of the literature that addresses key components of the project proposal.

3. Review and critique multiple evaluation strategies for incorporation into the plan.

4. Project how the evaluation results will be utilized and disseminated.

5. Utilize reflective practice concepts in understanding and implementing the role of change agent.

Course Content Topical Outline
1. Organizational Change Theory
   A. Decision Makers Guide to Adopting Innovation(s)
   B. Change and Innovation: Utilization of Reflective practice concepts

2. Mid Range Theory to inform project
   A. Communication Theories
   B. Behavioral Theories
   C. Systems Theories

3. Translational Science Models
   A. Translational Science: Conceptual Overview
   B. Core Implementation Components
      1. Staff Selection
      2. Staff Training
      3. Staff Coaching
      4. Evaluation and Fidelity
   C. Evaluation models
      A. Designing Performance Monitoring Systems and Evaluation Studies
      B. Data Collection Procedures
      C. Analyzing Evaluation Data
      D. Getting Evaluation Results Used
         1. Further Implementation
         2. Dissemination

Required Texts

Students are expected to build their own bibliography and to read deeply and widely related to their Doctoral of Nurse Practice project.

http://nirn.fmhi.usf.edu

Teaching Strategies
Web-based interaction
Negotiated learning contracts
Self-directed learning assignments
Online discussion forums
Reflective self-analysis
Student-clinical mentor-faculty conferences

Evaluation and Grading

There are several evaluation methods for this course. The course grade will be calculated in consultation with the clinical mentor and based on the school of nursing grading scale:

1. Organizational assessment 20 percent
2. DNP project implementation and evaluation plan 60 percent
3. Participate in discussion forums (graded by rubric) 10 percent
4. Reflective narrative related to inquiry project 10 percent

Letter grades are calculated based on the School of Nursing Grading Scale below. Attainment of an average of B- is required to successfully pass the course.

A+ 97 - 100  B+ 87 - 89  C+ 77 - 79  D+ 67 - 69  F  Below 60
A 93 - 96  B 83 - 86  C 73 - 76  D 63 – 66
A- 90 - 92  B- 80 - 82  C- 70 - 72  D- 60 – 62

Academic Integrity:

This course complies with Indiana University School of Nursing policies and standards, and those delineated in the IU Code of Student Rights, Responsibilities, and Conduct: http://www.dsa.indiana.edu/Code/ and http://www.dsa.indiana.edu/Code/Part_2acad.html.
Americans with Disabilities Act:

If you need any special accommodations due to a disability, please contact Adaptive Educational Services at (317)-274-3241. The office is located in CA 001E.
