   Is variable title approval being requested? Yes _____ No _____

☐ 15. Is this course being discontinued? For all campuses _______ or for this campus only _______

☐ 16. Current course description

   P: Graduate physiology, histology, biochemistry, microbiology, gross anatomy, and C690. Designed for Pathologists' Assistant students. Didactic and laboratory experiences emphasize proper handling and evaluation of tissues removed during surgery and examined in the surgical or pediatric pathology laboratory. Human embryology and medical photography and terminology are also included.

   Change course description to (not to exceed 50 words) P: Graduate physiology, histology, microbiology, gross anatomy, and C690. Designed for Pathologists' Assistant students. Didactic and laboratory experiences emphasize proper handling and evaluation of tissues removed during surgery and examined in the surgical or pediatric pathology laboratory. Human embryology and medical photography are also included.

17. Justification for change

   The requirement for a biochemistry course was eliminated from the curriculum in 2006.

   (Use additional paper if necessary)

18. Are the necessary reading materials currently available in the appropriate library?

19. A copy of every new course proposal must be submitted to departments, schools, or divisions in which there may be overlap of this course with existing courses or areas of strong concern, with instructions that they send comments directly to the originating Curriculum Committee. Please append a list of departments, schools, or divisions thus consulted.
