AWR110 — WMD Terrorism Awareness for Emergency Responders (Internet)

Description

The WMD/Terrorism Awareness for Emergency Responders (WMD-005) course was designed to provide the participant with knowledge of Hazardous Materials, Weapons of Mass Destruction and response to incidents involving these materials. This Basic course introduces the participant to topics such as Hazardous Materials and WMD recognition, the Emergency Response Guide, NFPA 704 marking system, and more. This course is NFPA 472 compliant and meets the requirements for Hazardous Materials Awareness Level training.
