17: Justification.

The Language and Linguistics Concentration of the English major needs to realign, rename, and renumber its courses so that they reflect a more coherent and intuitive concentration. Until now, we have primarily drawn on courses that have been created on other campuses. Consequently, we are renumbering all of our linguistics courses, renaming a few, and revising the course descriptions of some. (We are also proposing some new courses, but these will be submitted via new course request forms.)
