17: Justification.

The Language and Linguistics Concentration of the English major needs to realign, rename, and renumber its courses so that they reflect a more coherent and intuitive concentration. Until now, we have primarily drawn on courses that have been created on other campuses. Consequently, we are renumbering all of our linguistics courses, renaming a few, and revising the course descriptions of some. (We are also proposing some new courses, but these will be submitted via new course request forms.)

While the content of and the syllabus for this course will remain the same, the title is being revised to clarify what the course covers and to improve the appeal of the course to students who are new to linguistics.
