Change course description to (not to exceed 50 words)

Justification: This course was designed for Environmental Management majors. The goal is
to serve as a first introduction to the field of water resources in preparation
for more advanced courses such as "Lake & Watershed Management, Water & Wastewater
Treatment, and Limnology." The 300-level course number is discouraging
freshmen & sophomores (the target group) for enrolling in the course.

17. Justification for change

18. Are the necessary reading materials currently available in the appropriate library? ☐ yes
