[X] 16. Current course description: P: SPEA-H 352. This course builds upon SPEA-H 352 Health Finance and Budgeting as well as examines the uses of contractual language and obligations. It uses a series of case studies to apply techniques and principles taught in SPEA-H 352.

Change course description to (not to exceed 50 words) SPEA-H 352. Course focus is financial management of healthcare organizations: assessing critical decision-making concepts in managerial accounting and finance. Topics include evaluation of capital investments, financing sources, managerial accounting including cost behavior, profit analysis, and incremental analysis, reimbursement under various third-party payer environments, cost allocation and government program reporting.

[X] 17. Justification for change: Course title & description are a more accurate reflection of course content & emphasize that this is part two of a two-part course.

[X] 18. Are the necessary reading materials currently available in the appropriate library? Yes

19. A copy of every new course proposal must be submitted to departments, schools, or divisions in which there may be overlap of this course with existing courses or areas of strong concern, with instructions that they send comments directly to the originating Curriculum Committee. Please append a list of departments, schools, or divisions thus consulted.
