Labour

Review of Development Economics

Southern Economic Journal

Discussant for sessions at the Indiana University Center on Philanthropy, and at annual meetings of the Midwest Economic Association, Society for Labor Economists, Southern

Economic Association, and the Indiana Academy of Social Sciences.

I have provided background for various local television newscasts and participated in televised roundtable discussions of economic and social issues. In January 2007, interviewed by the Times of London, ABC London, BBC Radio and a Dublin, Ireland radio station on findings in my joint paper with Blackaby and Murphy published in *Labour Economics*. Stories based on the Times story also appeared in the London Daily Mail and the London Daily Telegraph.
