

IUPUC/Ivy Tech Columbus Financial Assistance Agreement

Indiana University - Purdue University Columbus (IUPUC) Ivy Tech Community College - Columbus

The IUPUC/Ivy Tech Columbus Financial Assistance Agreement is a coordinated program between Ivy Tech Community College-Columbus and Indiana University-Purdue University Columbus that allows enrollment at both institutions to be considered for financial aid purposes. Students may be eligible to receive financial aid via the IUPUC/Ivy Tech Columbus Financial Assistance Agreement program upon successful completion of the following steps.

The **HOME** institution is the school where you are enrolled in a degree-seeking program and from where you will earn your degree. The home institution will also process and disburse your financial aid.

The **HOST** institution is the school you are visiting to complete part of your degree program requirements.

Step 1: Complete the Free Application for Federal Student Aid (FAFSA, www.fafsa.gov) with the appropriate school code (IUPUC= E01033, Ivy Tech= 009917) of the home institution.

Step 2: Based on the host institution complete the Ivy Tech Guest Student Application or the Visiting Student Application for IUPUC. Also, complete the student portion of the IUPUC/Ivy Tech Columbus Financial Assistance Agreement.

Step 3: Meet with an Academic Advisor at your home institution to review possible courses to take at each campus. You must enroll in at least 3 credits at each institution. Have your Academic Advisor complete section 2 of the Agreement. Courses taken must count toward your degree/certificate program and be transferable to the home institution.

Step 4: Enroll in the course(s) at the host institution.

Step 5: Submit the Agreement to the Financial Aid Office at the host institution for review and signature in section 3. Agreement must be turned in to the host school 30 days prior to the end of the term to allow for processing. The host institution will forward the form to the home institution. Please allow 7-10 business days to complete at the home institution.

Step 6: Once the semester is complete, send your official transcript from the host institution to your home institution Office of Admissions. You **MUST** earn a grade of "C" or above in order for the course to transfer. If you must withdrawal or stop attending any courses, notify the home institution Financial Aid Office. This may require an adjustment in your financial aid.

Note: The home institution will not pay any bills on your behalf at the host institution. You are responsible for payments to the host institution. You may receive a financial aid refund from the home institution that can be used for payment at the host institution. **THE HOME INSTITUTION WILL NOT TRANSFER FUNDS TO THE HOST INSTITUTION**, except for certain state grant programs.
