

PROGRAM PLAN SPRING 2011

The Program At-A-Glance chart lists workshops that can be attended to fulfill PFF unit requirements. Register at the IUPUI Graduate Office website: (www.iupui.edu/~gradoff/students/pff.html) or through the IUPUI PFF tab in OnCourse. Each workshop is posted on the Calendar in detail. As workshops are added, this list will be updated as well as the Calendar.

As a PFF Participant, Scholar or Alumni, you are welcome to attend any event listed website. If you are interested in a workshop that is not listed below or have questions about PFF scheduling, contact NaShara Mitchell, nacmitch@iupui.edu or 317.278.4331, to determine if it can be used to fulfill a PFF unit requirement.

Legend for Units toward Letter of Participation

**T – Teaching; R – Research; O – Organizational & Business/Professional Development;
S – Service; C – Capstone**

Important Note: Service (S) units can be fulfilled by serving on committees and review panels, assisting with national or local events and conferences, or by getting involved with any other service related activities that pertain to your specific field. Although these activities can be self-identified, scholars must be prepared to provide verification upon request. If you need assistance with finding an appropriate service opportunity, please contact the PFF office or speak with your mentor/advisor.
