# of delegates attending \_\_\_\_\_

# of countries that you wish to represent \_\_\_\_\_ (2 delegates per country)

Country Options – Austria, Burkina Faso, China, Costa Rica, Croatia, France, Japan, Libyan Arab Jamahiriya, Mexico, Russian Federation, Turkey, Uganda, United Kingdom, United States, and Viet Nam

Please list the countries you would like to represent. (If you have already emailed Cliff Staten your country preferences you need not complete this section.) I will begin making country assignments on October 5th. I will try to meet all your country requests but I cannot guarantee it.

Note – Once you and your students register and receive country assignments, it is extremely important that you live up to those commitments. Students/schools that drop out after registration or do not participate in all the sessions do nothing but hurt the educational experience for those students who choose to live up to their commitments. Please do not take this commitment lightly.
