

National Institutes of Health Regional Seminar on Program Funding and Grants Administration

hosted by and held at Purdue University

June 22-24, 2005

**An Excellent Opportunity to
Meet With NIH Program Staff!**

This seminar is intended to help demystify the grant application and review process, clarify Federal regulations and policies, and highlight current areas of special interest or concern. It serves the NIH mission of providing education and training for the next generation of biomedical and behavioral scientists. NIH policy, grants management, review and program staff provide a broad array of expertise and encourage personal interaction between themselves and participants.

Registration: \$250 Pre-Seminar Labs: \$50

For more information about this seminar, contact:
Christine King, Director of Research Development Services
Office of the Vice Provost for Research
