The University strives for every employee to deliver Service with Distinction. Service with Distinction is defined by the University community as, "Service is at the core of everything we do at IUPUI. Every day and with every interaction people are valued and understood, reinforcing the choice to work at IUPUI." To live the Service with Distinction in our roles at IUPUI, eight service standards and associated behaviors have been identified. The service standards and associated behaviors can be found [here](#).
