Volunteer Opportunities
From the Staff Council Community Outreach Committee

Bosma Enterprises
Since 1915, Bosma Enterprises has been navigating blindness by providing job training, employment services, rehabilitation, and outreach programs for people, from adolescents to seniors. They are the only Indianapolis-area nonprofit provider of programs and services solely focused on people who are blind or visually impaired.

They need volunteers to help with all sorts of tasks from clerical to landscaping. Please use the following link for more information.
