Multicultural Impact Staff Award 2013

“Supporting and Engaging Staff in Diversity at IUPUI”

Any member of the IUPUI community may nominate full-time staff members for this award, which will be given at the Chancellor’s Employee Recognition Ceremony in September 18, 2013. Two winners will be selected and awarded $500 each.

The Multicultural Impact Staff Award is given to staff members who promote a campus climate where diversity is valued and accepted, expand our understanding and deepen appreciation of cultures from across the world, or champion social justice for all who work and learn at IUPUI.

The winner of this award should demonstrate merit not based only on the functions of his or her job, but also on extraordinary commitment beyond what would be considered satisfactory levels of job performance.

All nomination letters and the form below must be returned electronically to Jim Klenner by email at jklenner@iupui.edu by July 31, 2013, at 5:00 PM. Late nominations will not be accepted. In the nomination letter, please explain why you are nominating this staff member, and give concrete examples of how this staff member promotes diversity. Feel free to send any attachments to support your letter (e.g., resume, examples of his/her involvement on diversity initiatives). Staff members must be full-time employees of IUPUI to be considered for this award. Nominees will be informed of their nomination and asked to support the caliber of their impact with documentation if that documentation is not included in the nomination package.

Please share this information with your colleagues and feel free to make multiple nominations.

The selection committee is composed of the IUPUI Staff Council Rewards and Recognition and the Staff Council Committee on Diversity, Equity and Inclusion.

Current Bylaw:
None. The Staff Council Committee on Diversity, Equity and Inclusion was established as an ad-hoc committee by a motion passed at the July 2012 Executive Committee and is not currently mentioned in the Staff Council Bylaws.

Proposed amendment to Staff Council Bylaws, Article V, Section B (Committees):
The Committee on Diversity, Equity and Inclusion shall consist of no fewer than five members. This committee will be responsible for identifying formal and informal efforts supporting staff diversity, equity and inclusion at IUPUI; contributing to relevant IUPUI policies, practices, and procedures; and making the resources of Staff Council available for this work. This includes providing access to staff, advocacy with administration, communication across campus, and opportunities for those creating a diverse and inclusive campus to meet and work together.

Rationale:
Standing Committees are constituted to perform a continuing function, and remain in existence permanently or for the life of the assembly that establishes them. RONR (10th ed.), p.473, I. 20.
This committee has been actively working towards their charge to enhance IUPUI through diversity, equity and inclusion in support of all staff. The committee requests a status change from ad-hoc to standing committee to continue this work and a motion requesting such change was made by Chair Aron DiBacco at the February 2012 Executive Committee meeting. The committee proposes the status change by way of this proposed amendment to the current Staff Council Bylaws.

Re: Development and Adoption of the Multicultural Impact Staff Award

The Multicultural Impact Staff Award (“the award”) was created and first awarded in 2011. Conceived by the Assistant Chancellor of DEI and the chair of the (then) Staff Council Diversity Committee, it serves to 1) recognize and acknowledge staff who promote a campus climate where diversity is valued and accepted, 2) strengthen our understanding and appreciation of world cultures, and 3) champion social justice for all who work and learn at IUPUI. It is given annually at the Chancellor’s Employee Recognition Ceremony and supports two of IUPUI’s 2025 Strategic Initiatives:

- Strategic Initiative 7 (Develop Faculty and Staff), which addresses IUPUI’s commitment to “invest in and develop its human capital in order for individuals to realize their fullest potential, contribute to institutional excellence, and succeed in this rapidly changing higher education environment.”
- Strategic Initiative 9 (Promote an Inclusive Campus Climate), which addresses IUPUI’s commitment to “nurture and promote a campus climate that seeks, values, and cultivates diversity in all of its forms and that provides conditions necessary for all campus community members to feel welcomed, supported, included, and valued by the campus and each other.”

The award is the result of collaboration between the Office of DEI and the IUPUI Staff Council. The Office of DEI is the organizational sponsor of the award. It is this office that has final say on the parameters of the award and requests the release of funds from the Chancellor’s fund to pay the recipient of the award.

The award is publicized on the DEI website along with other campus diversity awards, the Academic Affairs website, and on the Awards and Scholarships page of the IUPUI Staff Council website. Two Staff Council committees work on the award each year. The Rewards and Recognition Committee manages the nomination process, collects nominations, and forwards them to the Staff Council Committee on Diversity, Equity and Inclusion (SCCDEI). The SCCDEI is responsible for selecting the winners from this pool of nominees and for proposing revisions to the rubric and nomination form based on current campus climate and needs.

Thank you for helping to administer this important staff award. Please let me know if you have any questions.
