[Ad Hoc] Academic Affairs Committee (Laura Masterson, Chair)
Academic Affairs last met on March 20. Our next meeting will be on April 24 at 2 pm. We are seeking ways to keep all staff updated on major academic changes occurring at IUPUI and are preparing a series of items for the newsletters. One example of a major change is the new Division for Undergraduate Education, established effective July 1, 2014. The Division will include several units: University College, Undergraduate Affairs Committee, Degree Completion Office, Center for Coordinated Undergraduate Initiatives, and the Office for Student Data, Analysis, and Evaluation. We are also working on the possible inclusion of a student liaison for Staff Council and ways seek feedback from academic staff regarding issues they are facing in their roles.

Special Events Committee (Kristy Chapman and Cortnee Martin, Co-Chairs)
The Staff Council sponsored Blood Drive will be held on Wednesday, April 30 at Taylor Hall and the MedSci Atrium. The details of the retreat are coming along and we hope to share more at our next meeting. Please mark your calendars for Friday, July 25.

[Ad Hoc] Staff Development Committee (Caitie Deranek, Chair)
The Staff Development Committee last met on Tuesday, February 25th. There are several points to share:

- The internal Staff Council awards will begin on Thursday, May 1st and nominations will close on Friday, May 30th. Nomination materials will be available on the Staff Council website and sent to you in an email as well. You are encouraged to nominate yourself or a colleague for any of the awards.
- SDC members generated ideas for the next few months of Member Features and members volunteered to draft the article. Group members expressed interest in beginning work on an "employee of the month" type award that acknowledges excellence across the campus. The Rewards and Recognition Committee has been invited to attend an upcoming meeting of the SDC, date to be determined.
- Alicia Gahimer gave extensive feedback on the professional development grant application materials and helped shape them into the mold of other campus-wide applications. They have been shared with Lee and he will schedule a discussion with Nasser Paydar soon.
- Work is underway on the Committee’s leadership training scheduled for June. The theme will focus on leadership techniques within our everyday work.
- The group also expressed interest in putting on a half-day leadership conference later in 2014. This will be explored further at our April 29th meeting and a more formal idea will be formed at our next meeting on April 29th.
