

# Please Donate Your Used Cell Phones

The ability to make a 911 call quickly can mean the difference between safety and a severe beating, or even death for a victim of domestic violence.

*The Indiana Coalition Against Domestic Violence (ICADV)* is collecting used cell phones. They will be refurbished and made available to victims of abuse to make these vitally important 911 calls.

**Please turn in your used cell phones to:**

(put label  
w/name here)

The IUPUI Staff Council will deliver the used cell phones to the ICADV office for the refurbishing process.

*THANK YOU!*
