Brown Bag: Building a Civil Community

Tuesday, April 8
11:30 a.m. to 1:00 p.m.
Campus Center CE 309

In collaboration with the 2013-15 IUPUI Common Theme *Find Your Voice and Hear My Voice: Creating Civil Conversations*, this brown bag offers the opportunity to discuss specific issues and concerns related to our collective efforts to foster a civil learning and working environment.

Guided by the Common Theme’s overall vision for fostering civil discourse, as expressed through the Common Theme’s website (http://www.iupui.edu/common_theme/) and its book selections, we will engage in conversations and learning around the following specific questions and topics:

**What are the Essential Skills and Tools for Engaging in Civil Discourse?**

**What Role Do Integrity, Humility and Gratitude Play in Our Civil Discourse?**

**How Do We Build a Civil Community?**

Read the Common Theme book selections, including the titles here. For a full list, go to: http://www.iupui.edu/common_theme/2013/about/book/. These titles are available at Barnes and Noble on campus or through Amazon.com
