Speed Networking
Alumni Networking & Career Connection
REAL People • REAL Experiences

You've heard of speed dating?

Welcome to Speed Networking - a fast-paced evening of one-on-one networking.

All IUPUI students are welcome, but focus will be for students from the schools of Education, Liberal Arts, SPEA, PETM, and Herron.

What sets you apart? Learn how to give yourself the edge!

Alumni will discuss their post-college job experience, share networking tips, & provide advice on this valuable career skill.

How to prepare:

• Think about your “elevator speech” – a 1-minute spiel you would use to describe yourself to others. This might include your career interests, experiences, and something that will help you stick out in their mind.

• Prepare thoughtful questions

• Bring a padfolio

• If you have business cards – bring them. If not, consider having some made for the event.

• Dress professionally

• For any questions, contact Ronnie Roberts at rnr@iupui.edu.

▪ Meet and mingle with IUPUI Alumni!
▪ Internships - how will they help you?
▪ Connect to careers outside your major
▪ Learn how to break into your chosen career
▪ How to find a mentor to help you navigate into your first job
