An Evening with Filmmaker Ken Burns

Join WFYI and filmmaker Ken Burns for a sneak preview of THE WAR. The documentary explores the history and horror of the Second World War from an American perspective by following the fortunes of a handful of so-called ordinary men and women who were caught up in one of the greatest cataclysms in human history.

Six years in the making, the epic 14-hour film, reminiscent in scope and power of Burns’ landmark series, The Civil War, focuses on the stories of American citizens from four geographically distributed and American towns – Waterbury, Connecticut; Mobile, Alabama; Sacramento, California; and Luverne, Minnesota. The screening will be followed by a Q&A session with Burns. WFYI will air the documentary series in September 2007.
